

Fall Fundraiser & Sponsorships

Dear Bonner Elementary Families,

Welcome to a new school year! As always, Bonner PTO's fundraiser is our “**UnFundraiser.**” We are still asking for donations and sponsors at the beginning of the school year that will support our school all year long. We just want to be very clear on these points:

Why do we ask?

Our goal is simple: one fundraiser instead of many.

Rather than asking families to buy products or participate in multiple fundraising events throughout the year, we ask for a voluntary donation at the beginning of the school year. This allows the PTO to focus on supporting our students, teachers, and school community instead of spending time selling and fundraising all year long.

Every donation—of any amount—helps make a difference.

What do we do with the funds?

Every dollar donated stays at Bonner Elementary and directly benefits our school community. Your donations help us:

- Support the school's general fund when unexpected needs arise.
- Provide classroom funds for teachers to purchase supplies and support special projects.
- Celebrate our teachers and staff with daily lunches during Appreciation Weeks in December and May.
- Purchase equipment and resources not covered by the school budget, such as stage risers and the library book vending machine in the last few years.
- Host family events throughout the year that build community, create lasting memories, and make school a fun and welcoming place for everyone.

How can you be involved?

There are many ways to support Bonner PTO!

- Make a voluntary donation to the UnFundraiser.
- Become a business sponsor or help connect us with potential sponsors.
- Volunteer your time at PTO events and activities throughout the year.
- Attend our family events and help strengthen our amazing school community.

Whether you give your time, your talents, or a financial contribution, your support helps make Bonner Elementary an even better place for our students to learn, grow, and thrive.
